$ git commit -m "modified in css-assignments"
[css-assignments aa8fbe2] modified in css-assignments
 Committer: Dhote <gayatri.dhote@capgemini.com>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly:

    git config --global user.name "Your Name"
    git config --global user.email you@example.com

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author

 2 files changed, 3 insertions(+), 2 deletions(-)
